## TIRE SOLO SEATS

Universal solo seats with a 16 gauge (1.6mm) black electroplated steel base, firm polyurethane foam and cover made from genuine new motorcycle tires. This makes the cover completely waterproof and anti-slip, with the unique appearance of a motorcycle tire. The cover is sewn with Goodyear stitching and sealed seams to prevent water getting into the foam.

**743716** Tire solo seat with straight back, 36cm long, 27cm wide

**743717** Tire solo seat with smooth curved back, 36cm long, 27cm wide
