### CUSTOM STYLE TANKS WITH DASH MOUNT FOR SOFTAIL TWIN CAM

Custom gas tanks with dash mount for Twin Cam Softail. Can be used with the stock or stock style seats. Made from heavy gauge steel for years of leak and trouble free riding. Tanks are available for use with OEM style Screw-In gas caps and the gauge equipped OEM left side cap, as well as a model with our Quick Cam lockable gas caps on both sides of the tank. Both styles are available for carburetor and EFI models. Tanks take approx. 5.1 gallon (19.3L).

**Note:** Installation on 2004 and later models require a plug ZPN 789782 and ring ZPN 789486. Models 2006 and 2007 require a custom bracket for the fuel level gauge.

### Fits carburetor equipped Twin Cam Softail 2000-2006

**011813** Screw-In style gas caps, caps not included (style B)

**011801** Quick Cam lockable gas caps, caps included (style D)

### Fits Fuel Injection equipped Twin Cam Softail 2001-2007

**011861** Screw-In style gas caps (style B)

### Fits Fuel Injection equipped Twin Cam Softail 2008-2017

**012910** For use with OEM or stock-style gas cap and fuel gauge or dummy cap (style B)

**012912** Adapter plate for 2008 and later style fuel gauge

### Required parts:

**789482** Fuel manifold plug (OEM 62843-00)

**789486** O-ring, 2-pack (OEM 11323)

### 2" STRETCHED CUSTOM STYLE TANKS WITH DASH MOUNT FOR SOFTAIL TWIN CAM

This one-piece stretched gas tank has a proper dash mount and will give your Softail a longer, stretched look. This tank will change the appearance of your bike. Due to the stretch these tanks must be used with a Custom seat. Tanks are available for use with OEM style Screw-In style gas caps on the right hand side and fuel gauge on the left side. For those who can do without this gauge we have a tank available that uses our Quick Cam lockable gas caps on both sides. Tanks take approx. 5.1 gallon (19.3L) of fuel.

**Note:** Installation on 2004 and later models require a plug ZPN789782 and ring ZPN789486. Models 2006 and 2007 require a custom bracket for the fuel level gauge.

### Fits carburetor equipped Twin Cam Softail 2000-2006, except FXSTD

**011814** For use with OEM or stock-style gas cap and fuel gauge or dummy cap (style B)

**011807** For use with Quick Cam lockable gas caps. Order gas cap set ZPN 011549 separately (style D)

### Fits Fuel Injection equipped Twin Cam Softail 2001-2007, except FXSTD

**011864** For use with OEM or stock-style gas cap and fuel gauge or dummy cap (style B)

### Fits Fuel Injection equipped Twin Cam Softail models 2008 thru 2017, except FXCW, FXCWC, FXS and FXSB

### MUSTANG LAREDO STYLE GAS TANKS

Mustang Laredo style steel gas tank as we have used it on our "Captain Larry". Tanks hold 3.1 Gallon (11.5L), are 17" (43cm) long, 11 1/2" (29cm) wide, have a 2" (5cm) wide low tunnel and a 3/8 NPT right center petcock opening, as well as rear left and right 1/4 NPT connections. Has universal brackets that makes it easy to mount it to almost any stock or custom frame. Like all Zodiac gas tanks these are made from heavy gauge steel. The Mustang Laredo style ribbed gas tank for example weighs in at 3.25kg (7.2 Lbs).

### Mustang Laredo style ribbed gas tanks with dished sides

**012980** With right side bung for 1983-2017 screw-in style gas cap (style B)

**012981** With right side bung for cam lock style gas cap (style A)

**012982** With right side bung complete with chrome pop-up style gas cap (style G)

### Mustang Laredo style gas tanks with dished sides

**012986** With right side bung for 1983-2017 screw-in style gas cap (style B)

**012987** With right side bung for cam lock style gas cap (style A)

**012988** With right side bung complete with chrome pop-up style gas cap (style G)

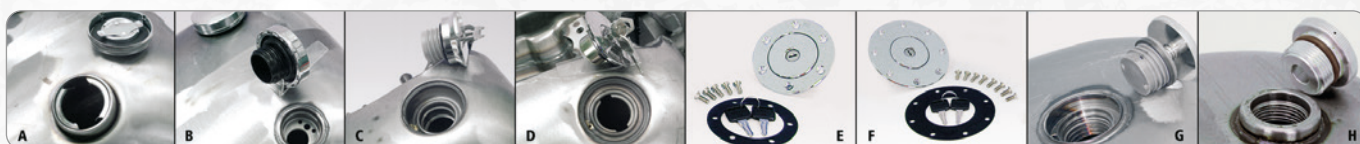

**012983** With center bung for 1983-2017 screw-in style gas cap (style B)

**012984** With center bung for cam lock style gas cap (style A)

**012985** With center bung complete with chrome pop-up style gas cap (style G)

Genuine Zodiac gas tanks including their brackets are made from the same or heavier gauge steel as genuine tanks, your guarantee for years and years of reliable service. Feel free to compare the weight of these quality products with cheap imitations.

### RSD GAS CAPS & FUEL GAUGE REPLACEMENT CAPS

Roland Sands has packed as much style as he could into his RSD gas cap line. Each design is unique and with over a dozen to choose from, there is sure to be one to match your style. They come as crew-in style vented gas caps that fit all models 1996 to present or as a Dummy Cap to replace the stock fuel gauge or as a LED indicator cap. This is a direct replacement snap-in cap to replace the left side OEM fuel gauge with a built in Low Fuel LED light built in. The light is user programmable to any pre-set fuel level. Except for the Vintage design these caps come with an interchangeable RSD logo in contrast cut black or black and brass. Available in chrome, RSD's exclusive Black OPS or Contrast Cut black.
