## NATIONAL CYCLE DEFLECTOR SCREEN

This 15 1/4" (39 cm) tall National Cycle windscreen is made from Quantum hardcoated polycarbonate which has a very high scratch resistance. Comes with National Cycle's patented and innovative Rake-Adjust hardware which permits 100 degrees of screen adjustment without moving the mounting hardware. A double Ball-socket attaches the screen to the mounting hardware, providing simple assembly and a safety release.

**710658** Fixed mount clear Deflector screen for 7/8" (22mm) and 1" (25.4mm) diameter handlebars

**735338** Quickset detachable clear Deflector screen for 1" (25.4mm) diameter handlebars

**735339** Quickset detachable tinted Deflector screen for 1" (25.4mm) diameter handlebars

**735226** Quickset detachable clear Deflector screen for 1 1/4" (32mm) diameter handlebars

**735227** Quickset detachable tinted Deflector screen for 1 1/4" (32mm) diameter handlebars

## RICK'S FIBERGLASS MINI WINDSHIELD FOR SPORTSTER

Hides the stock speedometer housing and improves sight on the speedo scale. Fits almost any Sportster model. Comes in a white gelcoat finish, ready for your painter's preparation.

**757405** Rick's fiberglass mini windshield for Sportster

## NATIONAL CYCLE MOHAWK WINDSHIELD

The Mohawk features a special 'V' profile for added wind management. This tough windshield is made from sturdy polycarbonate for outstanding impact strength, 23 times better than acrylic. The quality Linking Arm fork mount system with countersunk screws offers a custom fit for almost any motorcycle with open front forks. Mohawk windshields are 9.25" (23.5 cm) high and 11.75" (29.8 cm) wide.

- 735332** Dark-tinted Mohawk windshield with chrome brackets for models with Upside Down front forks
- 735333** Dark-tinted Mohawk windshield with black brackets for models with Upside Down front forks
- 735334** Dark-tinted Mohawk windshield with chrome brackets for models with 39mm or 41mm front forks
- 735335** Dark-tinted Mohawk windshield with black brackets for models with 39mm or 41mm front forks
- 735336** Dark-tinted Mohawk windshield with chrome brackets for models with 49mm front forks
- 735337** Dark-tinted Mohawk windshield with black brackets for models with 49mm front forks

#### FXRP POLICE REPLICA CLUB STYLE FAIRING

This fairing is an exact replica, made possible by modern 3D scans of the original fairing introduced on the 1984 Harley-Davidson FXRP Police and also used on FXRT and FXRD models. Made of high-quality fiberglass with a white gelcoat finish. The mounting points of the fairing are reinforced with laminated stainless steel bands. Complete kit is bolt on for 2018 to present Milwaukee Eight Softail, but can be custom fitted to most other models.

**757499** Complete bolt-on FXRP Fairing Kit for 2018 to present Softail with 200mm high black windshield and clear headlight window

#### Individual components

**757500** FXRP Replica fairing body only (OEM 58654-84)

**757496** Adjustable fairing bracket kit, bolt-on for 2018 to present Softail, black powder coated

**757497** Clear headlight window

**757501** 7" LED headlight only, EU approved

**757502** 7" LED headlight kit with mounting rings and black bezel, EU approved

**757503** Windshield mount kit with seven screws, washers and well nuts

**757504** Windshield, (200mm) high black

#### Accessories

**757498** Smoked headlight window

**757505** Windshield, (200mm) high smoked

**757506** Windshield short, black

**757507** Windshield short, smoked

## 1996-2013 HEAVY DUTY BATWING BRACKETS

The stock mounting brackets for the Batwing fairings as found on 1996-2013 Touring and 2009-2013 Trike break quite often. These reinforced Heavy-Duty brackets last longer and are as easy to fit as the stock ones. The Extreme Duty upper brackets will last even longer but might take a little more time to install, especially with non-stock Batwing fairings.

**351565** Heavy-Duty speaker mounting bracket set (OEM 58938-96C left & 58939-96C right)

**351569** Extreme Duty speaker mounting bracket set (OEM 58938-96C left & 58939-96C right)

**351567** Heavy Duty lower mounting bracket set (OEM 58478-96B left & 58479-96B right)
